

## The clear solution to your vision care needs

Routine eye exams can help protect members' sight and help detect serious and costly medical conditions like high blood pressure and diabetes. AmeriHealth New Jersey offers three vision plans to pair with your medical benefits. All plans cover one routine eye exam in full per calendar year and offer affordable coverage for eyeglasses and contacts.

## Vision plan options

Our vision benefits are administered by Davis Vision® and give members a choice of more than 94,000 points of access nationwide. Members save on out-of-pocket costs and have access to eye exams, eyeglasses, contacts, and value-added discounts. To find a vision provider, visit [amerihealthnj.com/vision](http://amerihealthnj.com/vision). New for 2021, out-of-network coverage and Visionworks frame options are available with all plans.

## No matter which plan you choose, you'll get:

- Access to Visionworks, which offers over 2,000 frames, plus the convenience of on-site labs in most locations.
- One-year breakage warranty for glasses purchased at participating providers.
- Discounts on other services, such as laser vision correction.
- Davis Vision members also have access to a routine hearing test and brand-name hearing aid technology at reduced prices through Your Hearing Network or YHN, an industry leader.

<sup>1</sup> Administered by Davis Vision.

<sup>2</sup> An AmeriHealth New Jersey affiliate has a financial interest in Visionworks.

<sup>3</sup> Adult Vision Care plans cover members 19 and older, as well as child dependents age 19 to 26. Vision benefits for members under 19 are included in the medical plans.

<sup>4</sup> The Benefit Information provided reflects the In-Network benefits. Please see your benefit booklet for your Out of Network Coverage.
