

# AmeriHealth New Jersey EPO

## AmeriHealth Advantage High Option

AmeriHealth Advantage is a two-tiered Exclusive Provider Organization (EPO) plan which provides members with two levels of cost sharing. With the first tier, members who receive services from AmeriHealth Advantage facilities and professional providers have the lowest out of pocket costs. Members can also use Value Network facilities and professional providers in the second tier and experience higher out of pocket costs. The AmeriHealth Advantage EPO allows members to choose their own doctors and hospitals from our participating provider network without selecting a Primary Care Physician (PCP) from either Tier 1 or Tier 2. Services are also received without referrals from a PCP. The AmeriHealth Advantage EPO does not have out of network benefits; therefore members must use network providers in order to access their benefits.

With AmeriHealth EPO...

- You do not need to enroll with a primary care physician
- You never need a referral
