

AmeriHealth New Jersey POS

POS Coinsurance \$30/\$50 70% - 2015 OOPM

AmeriHealth Point-of-Service lets you maintain Freedom of Choice by allowing you to select your own doctors and hospitals. You maximize your coverage by having care provided or referred by your Primary Care Physician. Of course, with AmeriHealth Point-of-Service, you have the freedom to self-refer your care to an AmeriHealth participating specialist or to specialists who do not participate in our network; however, higher out-of-pocket costs apply.

This program may not cover all your health care services. Services may not be covered because they are:

- Not covered under your benefit contract
- Not medically necessary
- Limited by a benefit maximum (i.e. visit limit)

Your benefit description material identifies details about your benefit program. It also includes information about exclusions and benefit limitations. After reviewing this information, please contact our Member Service department if you have additional questions.
